

On April 27, Gus held his annual Career Fair, where more than 60 employers met with more than 400 job-seekers.

"Florida's unemployment rate remains one of the highest in the country, so we must do all we can to connect those who are out of work with local employers," Gus said. "We hold these Career Fairs because they serve as an excellent opportunity for those in search of jobs to meet with potential employers in the area."
